Rags to Riches and Harvest Food Collection

We are collecting unwanted clothes, shoes and accessories to support recycling and charity work. We will be running this event every term. If you have any unwanted items, please place them in the black bin in the main Reception Area by

Monday 4th November

We are also collecting non-perishable food items to donate to our local community. Please place items in the basket in the Main Entrance. Thank you in advance for supporting our community.

Grandparents Day

As part of our topic 'Wonderful Me' we are inviting Grandparents into Nursery to take part in some activities with their Grandchild on

Tuesday 15th October at 3:15pm – 4:15pm.

If your child's Grandparent would like to attend the session, please let your child's key worker know their name. If you are arranging for a Grandparent to collect on the day and they are unfamiliar to us, they will need to provide a password.

This is a lovely opportunity for different generations to be involved in Nursery.

Every Child is an Artist

We will be promoting Art Skills across the school the **week beginning 14th October**. The children will get the opportunity to be creative using a range of different Art Materials. We are excited to see what the children produce.

Happy **Diwali**
Festival of lights

Diwali

This year the children will be taking part in Diwali celebrations within the rooms.

Black History Month

During **October**, the staff will be planning activities in the rooms to celebrate the amazing contributions black people have made in shaping the dynamic and diverse community we have today. If you would like to be part of our learning opportunities, please speak to your child's key worker.

Parent Workshop

We are holding a parent workshop for any parents who have children with Special Educational Needs or feel their child could have an additional needs. Please come along to speak to our SEND Team to learn about our processes, share your concerns or ask questions.

Friday 1st November at 9:30am.
