### Parents Evening Tuesday 12<sup>th</sup> November

Please make sure you have spoken to your child's key worker about booking a parents evening slot.

This is a good opportunity for you to discuss your child's progress and talk to the practitioners about your child's experience at Nursery.

We will also be showcasing our Eco work during the evening, so we will be asking parents to wait in the hall before their appointment.

We look forward to seeing you all.

### Children In Need

We are celebrating Children In Need on

**Friday 15<sup>th</sup> November.**

To help raise money for children who need it the most, our children can come into school wearing either spots or stripes. We will also be selling cakes to raise money and taking part in lots of activities throughout the day. Any donations will go directly to the children in need charity and can be given to Reception.

### World Children's Day

As a Rights Respecting School, we will be celebrating the individuality of each of our children on

**Wednesday 20<sup>th</sup> November.**

The children will celebrate their uniqueness by taking part in a range of activities in the rooms throughout the day.

On **Monday 11<sup>th</sup> November** it is World Nursery Rhyme Day. We will be challenging the children to sing as many Nursery Rhymes as possible throughout the day. Take part at home too!
