Recycled Art Week

We are holding a 'Recycled Art' week starting on Monday 29th April.

If you have any boxes, packaging, containers, lids, pots or other items that can be recycled and used for art projects, please donate them to your child's room.

Parents Evening

Tuesday 29th April

Please speak to your child's key worker about booking a parents evening slot.

This is a good opportunity for you to discuss your child's progress and talk to the practitioners about your child's experience at Nursery.

We will also be showcasing our Eco work during the evening, so we will be asking parents to wait in the hall before their appointment.

Don't forget to follow us on Instagram and Facebook.

Earth Day

On Monday 22nd April we will be celebrating Earth Day.

The children will be taking part in activities in the room to celebrate our wonderful earth and how we can look after it.

On Your Feet Britain

On Thursday 24th April we will be carrying out different physical activities and moving our bodies as much as possible.

We encourage you to join us with being active and be on your feet as much as possible during the day. Being active is good for our health and wellbeing.
