National Story Telling Week

For National Story Telling Week, each room is going to choose some of our favourite books to share with the children, bringing them to life through puppets / props / music and activities.

Please join us to celebrate on

4th February at 3:15pm

for a story telling session where stories will be told through different languages, props and resources.

We look forward to seeing you there.

Children's Mental Health Week

Starting on 3rd February we will be celebrating this year's theme of 'Know Yourself, Grow Yourself'. Further details of how to equip and empower children and young people across the UK to embrace self-awareness and explore what it means to them will be sent out during the week.

Lunar New Year

Please join us on
Thursday 30th January at 3:15pm
to celebrate the Lunar New Year.

Attendance

We know this time of the year there are a lot of illnesses circulating, however we are experiencing a large amount of absences. All absences must be reported to school and a member of the school team will discuss your child's absence with you. It is really important that your child attends their sessions unless they are too unwell to do so.

Happy New Year

2025

Happy New Year to all of our families. We hope that 2025 is filled with opportunities, love and joy. As always, we are here to support our families with any worries or issues you may be facing. Please speak to a member of the team if there is anything we can do to support you further.
